## Agreement and Disclaimer

### DISCLAIMER

I understand the Zero Balancing program and seminars are advanced study programs for the licensed health care professional, and are not designed nor intended to grant a legal privilege to do hands on therapy or handle another person.

### AGREEMENTS

I understand these programs share practical and theoretical information on body energy systems and that the manner in which I may actually use this material outside an educational setting is contingent on my prior training, legal recognition and health care licensure and that ZB may used as an adjunct to a legally authorized health care practice.

I understand that pregnancy is a contraindicated condition for beginning Zero Balancers and therefore, class participation during pregnancy needs to be discussed with the Zero Balancing instructor. Additional information on the proper use of Zero Balancing is included in the course material.

I understand the terms Zero Balancing and Zero Balancer and the Zero Balancing logo are registered trademarks and may not be used without the sanction of the Zero Balancing Health Association. Permission to use these terms in writing or printed materials is reserved for the Certified Zero Balancer or the Zero Balancing Certification Candidate.

I understand the Zero Balancing instruction materials are copyrighted and any permission to reproduce or disseminate them in any manner, including electronic forms of promotion such as scanned texts, web site or video Internet postings are prohibited except upon obtaining the written permission from the copyright holder or their duly appointed representative.

I have received a copy of the Qualifications for Presenting Zero Balancing by the Zero Balancing Health Association, and agree to represent myself in relation to Zero Balancing according to these guidelines.

I agree to fully indemnify and save harmless the Zero Balancing Health Association, Fritz Smith, M.D., the ZBHA certified teacher, and their assistants for this program from any and all loss incurred in the future from any and all claims or action by whomever or wherever made or presented because of anything I do or fail to do in the course of my training and practice of Zero Balancing. IF A PROVISION IS FOUND TO BE INVALID FOR ANY REASON THE REMAINDER OF THIS AGREEMENT SHALL REMAIN VALID.

I agree that this Agreement shall be governed and construed in accordance with the laws of the State of Maryland. Jurisdiction and venue for litigation concerning any dispute arising out of or in connection with this Agreement shall be in Howard County, Maryland. The prevailing party in any such litigation shall be entitled to attorney's fees and costs.
