**1. Zero Balancing Bridging the Mind and Body Through Touch Brochures**

This brochure is appropriate for educating the general public, clients and health professionals about Zero Balancing. Topics covered in the brochure include what is ZB, benefits of ZB, what to expect in a session, how often to receive ZB, and information on ZB practitioners and how to locate them. The brochure contains illustrative photos and measures 5.5" by 8.5".

**\$28 per 100 + \$5 shipping (Regularly \$35 per 100)**

**2. How to Promote ZB: A New Wind for Your Sails CD**

This CD is full of practical resources to help certified ZBers promote Zero Balancing. Compiled by ZB faculty Karli Beare and David Lauterstein, it includes the text of the "New Wind for Your Sails" book, sample outlines for ZB presentations; the clinical benefits of ZB to the patients of ten different health-care modalities, including specific ZB skills that would be useful to patients of those modalities; samples of business cards, rack cards and letterhead; and other useful information.

**\$14 + \$2 shipping (Regularly \$18)**

**3. DVD: The Fifteen-Minute ZB**

Feel confident demoing ZB at health fairs or in your community. The ability to do an effective short ZB is a skill every Zero Balancer should have. In this DVD, Michael Oruch covers many aspects of a short session, including tips and guidelines. These are presented in a lecture format followed by a demonstration of a 15-minute ZB session.

**\$18 + \$2 shipping (Regularly \$22)**

**4. ZB Bumper Stickers**

These are great for your car and client gifts! 4x6 oval, white with blue lettering. Buy a bunch, save on postage!!!
